Levels of Support for MOMFest: KMSU Main Stage, Triple Falls Activity Stage, MOMFest Special Events, MOMFest Workshops

KMSU Main Stage

The KMSU Main Stage is MOMFest's premiere performance stage. At the KMSU Main Stage level your contribution supports the main stage performances on Saturday, July 20 & Sunday, July 21, 2024. This is the most visible of MOMFest events with the greatest attendance. Sponsors at the KMSU Main Stage level are included in our KMSU Main Stage programs & schedules, included on the sponsorship page of our website and social media platforms, and are included by our announcer at the event. Sponsorship of a Main Stage event starts at \$500. These sponsorships defray the cost of artist performances, and the support necessary to put on live events. Larger donations go toward our headliners and include a named event, (e.g. ABC Windows Presents: Headliner's Name). Donations to MOMFest are tax deductible if made out to our fiscal agent: "New Foundations Saint Peter," BE SURE TO INCLUDE "MOMFest" in the memo line of your check to insure it is distributed properly.
