MOMF 2024 Workshop Series (Free Events)

Sarah Houle self-publishes and sells arrangements and original compositions through Hal Leonard; you can, too! Hal Leonard's "ArrangeMe" program is the global platform designed to enable songwriters, composers, and arrangers to sell their arrangements of popular songs, public domain works, and original compositions through the world's most popular sheet music retailers. Sarah will share her experience and walk through the process.

Sarah Houle is a Mankato based musician, composer, arranger, and educator, specializing in low brass: euphonium, trombone and tuba.
